# KNOW YOUR RIGHTS

## YOUR RIGHTS AT ALL TIMES

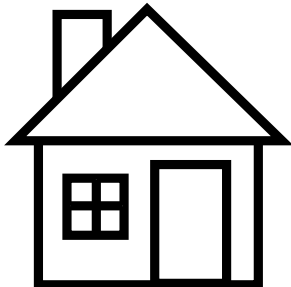

## IMMIGRANTS HAVE THE RIGHT TO:

---

- Ask the police to intervene and help.
- Request a protective order.
- Receive medical services and shelter in an emergency situation.
- Speak with their lawyer before speaking with ICE or law enforcement.
- Communicate with the consulate of their home country.
- Request a hearing before an immigration judge.
- Not sign anything or any document that you do not understand or in which you give up your rights.

## YOUR RIGHTS IN YOUR HOME

## IF ICE COMES TO YOUR DOOR:

---

- Do not open the door. ICE cannot come in without a signed warrant by a criminal court judge. They can only come in if you let them.
- Ask why they are there and request an interpreter if you need one.
- Do not sign anything ICE gives you without speaking to your lawyer.
- Don't answer any questions about your immigration status if ICE is in your home. Claim your right to remain silent.

## YOUR RIGHTS IN THE STREETS

## IF ICE APPROACHES YOU WHILE YOU ARE OUT IN PUBLIC:

---

- If you are arrested, do not say anything and do not sign anything until you have spoken to your lawyer.
- Ask the immigration officer if you are free to leave and if they say yes, leave calmly and in silence. Do not run.
